**First Tee - Aiken**  
promotes character development and life enhancing values while developing individual skills and etiquette.

**Our Mission**  
is to impact the lives of young people by providing educational programs that build character and instill life-enhancing values through the game of golf.

**Our Programs**  
develop participants' skills in a way that is relevant to their lives and abilities as young golfers.

**Our Structure**  
is designed to enhance our participants' life skill and golf skill development by progressing them through various levels and classes.

**Our Class Offerings**  
are available 4 times per year to continuously develop our participants' understanding of the game and the values it promotes.
